TUGAS PENDAHULUAN

A. Saya Tube Video

```
class SayaTubeVideo {
  constructor(title)
  {
    if (!title ||
    title.length > 200) {
      throw new
      Error(
        "Judul tidak boleh null
        dan maksimal 200 karakt
        er."
      );
    }

    this.id = Math.
    floor(Math.random() *
    90000) + 10000;
    this.title =
    title;
    this.playCount
    = 0;
  }

  increasePlayCount(
  count) {
    try {
      if (typeof
      count !== "number" ||
      count < 0 || count >
      25000000) {
        throw
        new Error(
          "Play count harus antar
          a 0 dan 25.000.000"
        );
      }

      const
      maxInt = Number.
      MAX_SAFE_INTEGER;
      if (this.
      playCount + count >
      maxInt) {
        throw
        new Error(
          "Overflow playCount");
      }

      this.
      playCount += count;
    } catch (err) {
      console.
      error('Error: ${err.
      message}');
    }
  }

  printVideoDetails
  () {
    console.log(
      `ID: ${this.id}`);
    console.log(
      `Judul: ${this.title}`
    );
    console.log(
      `Play Count: ${this.
      playCount}`);
  }
}

module.exports =
SayaTubeVideo;
```

B. Saya Tube User

[illegible]

C. Main

```
